Enter your password to complete the registration of your account.
Click Confirm.

The image shows a registration form for SwissBloc Capital. At the top left is the logo, which consists of a gold hexagon containing the letters 'SB' in white, followed by the text 'SWISSBLOC CAPITAL' in a sans-serif font. In the top right corner of the form area, there is a language selector showing a small US flag and the text 'EN' with a downward arrow. Below this, a light blue box contains the text: 'To complete the creation of your account please specify your account password'. Underneath, there are two input fields. The first is labeled 'Password*' and contains seven dots. The second is labeled 'Confirm Password*' and also contains seven dots. At the bottom center of the form is a blue button with the word 'Confirm' in white text.

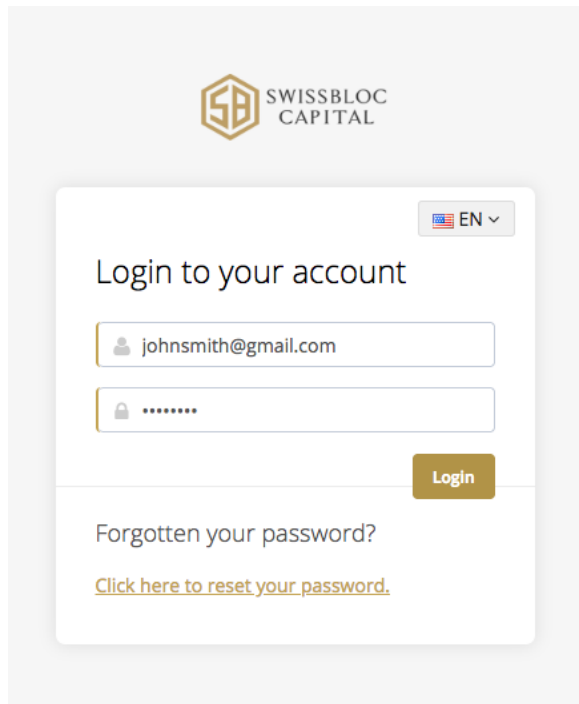

Once the verification process is complete, click login to login to your account.

The image shows a confirmation screen for SwissBloc Capital. At the top left is the logo, which consists of a gold hexagon containing the letters 'SB' in white, followed by the text 'SWISSBLOC CAPITAL' in a sans-serif font. In the top right corner of the form area, there is a language selector showing a small US flag and the text 'EN' with a downward arrow. The main text in the center of the screen reads: 'Verification has been verified'. Below this, there is a line of text: 'Now you can [login](#).' where 'login' is a blue hyperlink.

STEP 4 | Login to Account

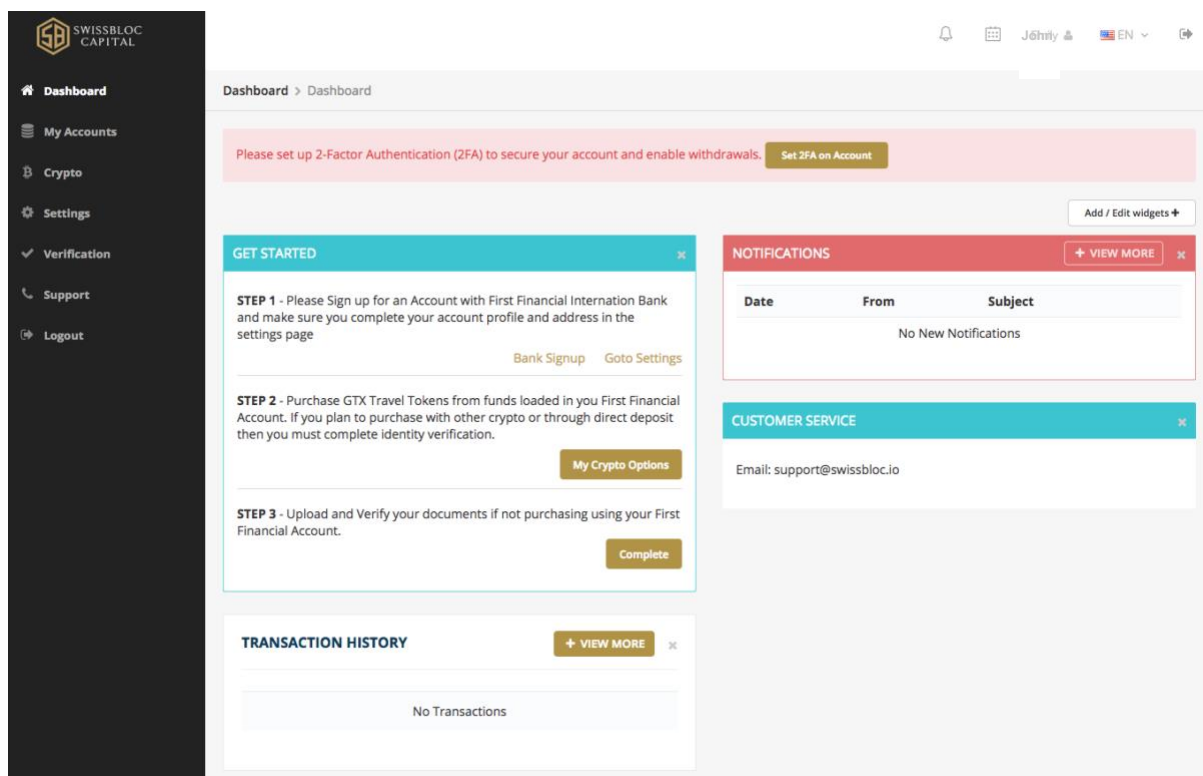

Enter your username and password.
Click Login.

The screenshot shows the SwissBloc Capital login interface. At the top left is the logo with the text 'SWISSBLOC CAPITAL'. In the top right corner, there is a language selector showing 'EN' with a dropdown arrow. The main heading is 'Login to your account'. Below this are two input fields: the first contains the email 'johnsmith@gmail.com' and the second contains a masked password '*****'. A brown 'Login' button is positioned to the right of the password field. Below the input fields, there is a link for 'Forgotten your password?' with the text 'Click here to reset your password.' in orange.

You will now be redirected to your Dashboard. From the Dashboard you will be able to:

- Update personal details in My Profile
- Insert
- Insert

The screenshot displays the user dashboard for SwissBloc Capital. On the left is a dark sidebar with navigation options: Dashboard, My Accounts, Crypto, Settings, Verification, Support, and Logout. The main content area has a top navigation bar with the user's name 'Johnty' and a language selector 'EN'. A prominent pink banner at the top of the dashboard reads 'Please set up 2-Factor Authentication (2FA) to secure your account and enable withdrawals.' with a 'Set 2FA on Account' button. Below this are several widget sections: 'GET STARTED' with three steps (Bank Signup, My Crypto Options, Complete), 'NOTIFICATIONS' showing 'No New Notifications', and 'TRANSACTION HISTORY' showing 'No Transactions'. A 'CUSTOMER SERVICE' section at the bottom right provides the email 'support@swissbloc.io'. The interface includes various interactive elements like '+ VIEW MORE' and 'x' close buttons for the widgets.
